

FiscalHR

FiscalHR is a Human Resources Management add-on for FiscalPay, designed for Microsoft® Windows™.

FiscalHR streamlines the import of KPPA member data and payroll records, reducing manual entry errors and automating monthly retirement reports.

Key Features

Seamless Integration

Interfaces with FiscalPay to import employee payroll records.

Error Reduction

Minimizes errors by automating the import of data and e-filing reports.

Quick Setup

Ready to use in minutes with minimal configuration.

Comprehensive Reporting

Includes member and contribution reports, with cross-tab reporting capabilities.

E-Filing Support

FiscalExpress Integration: Prepares and e-files KPPA reports for member retirement contributions.
