

# FiscalPay

FiscalPay is a comprehensive payroll processing solution designed for municipal use that integrates seamlessly with FiscalBooks and efficiently manages complex payroll needs.

FiscalPay manages payroll checking accounts and maintains accurate payroll ledgers.

## Key Features

**Manages employee sick, vacation, and personal hours balances.**

**Allows up to 6 local taxes per employee and up to 34 payroll deductions or tax credits.**

**Provides built-in tax tables for federal, state, and local income taxes.**

**Supports ACH Direct Deposit and on-demand direct deposit.**

**Prints various payroll reports and reconciles bank statements efficiently.**

### Integration and Compliance

- Complete integration with FiscalBooks for seamless payroll posting
- e-File W2 forms to SSA using FiscalExpress

### Efficiency

- Processes multiple payroll periods in one batch, including bi-weekly, semi-monthly, and monthly
- Automatically calculates gross wages based on entered hours, including shift differentials
